2015 Award Winners

The City of Garland Health Department is pleased to announce the winners of the 2015 Food Sanitation Excellence Awards. These winners scored in the top five percent of their class on unannounced food service inspections during the previous year. In addition to receiving an award certificate to display for one year, each establishment will have its annual permit fee (from $250 to $450) waived for 2016.

The awards are based on scores (100 being perfect) from unannounced inspections made between October 1 and September 30. Eleven classes were established to insure fair competition among diverse establishments. The 2014-2015 winners and scores are:
